

Don't be fooled!

Prop 62 is NOT the same as what voters passed in 1996. Under the previous open primary, a nominee from each political party appeared on the November ballot. Voters had REAL CHOICE!

Under Prop 62, only TWO candidates will appear on the November ballot -- and they can be FROM THE SAME POLITICAL PARTY!

Prop 62 is so flawed that only one other state – Louisiana – uses such a system. There, it helped KKK leader David Duke make the runoff for Governor -- with only 32% of the vote! Washington state recently rejected this system. So should California.

The proponents behind Prop 62 talk about “expanding voter choices” – BUT 62 does the OPPOSITE, restricting voters to only TWO CHOICES in November and forcing smaller party's candidates off the ballot.

PROPOSITION 62

They talk about "creating more competition" -- BUT 62 creates LESS competition in November's election.

They talk about "increasing voter participation" -- BUT don't tell you that Louisiana has one of the lowest voter turnouts because voters have such limited choice.

Here's what Prop 62 really does:

- Eliminates voter choice in General Elections
- Boosts extremist candidates
- Suppresses voter turnout, making Legislators LESS ACCOUNTABLE
- Repeals current law prohibiting a candidate from running for more than one office at the same time

Don't be fooled! Groups as diverse as Common Cause, Howard Jarvis Taxpayers Association and California Federation of Teachers strongly OPPOSE 62.
